

GENERAL INFORMATION

CHILDREN'S PROGRAM HEADQUARTERS

Although each Children's Program group has its own headquarters, the main headquarters for the Children's Program is located in Phillips Brooks House. Harvard Alumni Association (HAA) staff will be at the information desk from 8:00 a.m. (7:00 a.m. on Commencement Day) until midnight to answer your questions and render assistance. Security personnel will be on duty from midnight until 8:00 a.m. in case of emergencies. Should you need to reach the Children's Program headquarters by phone, please call 617-879-8885.

CHILDREN'S PROGRAM OVERVIEW

It is recommended that parents escort their children to the appropriate age-specific group headquarters or point of departure each day. Each group of children will have its own full program. Breakfast has been scheduled daily at Annenberg Hall starting at 6:30 a.m. so that children can join their groups in time for the first activity, starting at 8:30, 9:00, or 9:30 depending on the particular day. **Please note start times in this guide.** Children should finish breakfast by the time indicated in parentheses in order to be on time for their first activity. If a child is signed up for evening activities only, please meet up with your group's student staff/directors at the start of dinner. **It is very important that parents notify their child's group whenever a child will not participate in a scheduled activity. Entire groups are delayed if a child is unaccounted for.** Please notify the group director or a student staff member directly if your child will not be participating in a particular activity. You may also call headquarters at 617-879-8885 and inform the student on duty.

If you are commuting to Harvard, please make arrangements with the group director or a student staff member so that your child will be brought to Straus Common Room after evening activities to be looked after until you return from your evening event. Night babysitters and student staff will not look after children at off-campus locations.

After evening events, student staff will escort children in all groups who are staying on campus to their rooms. Rainbow, Canary, and Grape Group night babysitters will look after these youngest children in their rooms. Student staff for children in the Red, Blue, Green, and Young Adult Groups will be on duty in the entries of the dormitories; children participating in these groups will not have one-on-one babysitting in their rooms. All nighttime supervision ends at 12:30 a.m. Please plan accordingly. Note that supervision for children participating in the Children's Program will end at 11:00 a.m. on Sunday.

TICKETS AND NAME BADGES

Name badges will serve as identification and tickets for all Children's Program events and care. Children must wear their name badges at all times during Reunion. Lost name badges can be replaced at headquarters (Phillips Brooks House).

LIABILITY FOR INJURY OR LOSS

Every reasonable precaution is being taken for the safety of your children. However, no individual or committee can or does assume liability for injury to any person or for loss of, or damage to, property at any time or place during Reunion. Please keep the doors to your rooms locked at all times.

STUDY SPACE

There will be a designated classroom where older children can study or do homework. Please note this will not be a proctored study space.

TIPPING STUDENT STAFF

Students perform various duties throughout Reunion and greatly appreciate gratuities. An envelope for gratuities will be provided in your registration packet for your convenience; please write the group and student staff member's name on the envelope.

HALF-DAYS/PART-DAYS

If you have signed up your child for the evening activities only, please meet up with the group at the start of dinner. It is your responsibility to locate your group's student staff/directors at this time. Children in the Rainbow and Canary Groups need to be dropped off at the basement of Thayer Hall by 4:30 p.m. for evening activities and nighttime care. If you would like to have your child join the day's activities once activities have begun, please first proceed to Phillips Brooks House. HAA staff will contact the appropriate group director and coordinate a meeting. If the group is off campus, your child will be able to meet up with the group when they return.

RAINBOW GROUP

Headquarters: Thayer Hall Basement

Please note: the Rainbow and Canary programs, for children ages 18 months to 5 years old, are only available for children of 25th Reunion alumni.
